Results

What to Expect

Sessions take about 90 minutes while you relax comfortably. The treatment area may feel warm, but most patients find it easy to tolerate. There's no downtime, and you can return to normal activities right away. A series of 6 treatments, once every 7-10 days for best results.

Schedule your free consultation or treatment at myTrimMD.com or by calling our office at 317-548-4666.
