MICRONEEDLING

Microneedling creates tiny micro-injuries in the skin to boost collagen and elastin production, helps improve fine lines, acne scars, texture, and tone

Pricing

Starts at $189 per session.

Free consultation and package discounts available.

Results

What to Expect

Microneedling is completed in under an hour. A topical numbing cream is applied for comfort, and you may notice redness similar to a mild sunburn with light restrictions for the first day before resuming normal activities.

Schedule your free consultation or treatment at myTrimMD.com or by calling our office at 317-548-4666.
