NON-SURGICAL BBL

Non-surgical BBL enhances curves and restores volume using injectable fillers, lifting and shaping the buttocks without surgery or downtime.

Pricing

Radiesse $599 / syringe
Sculptra $749 / vial

Clients on average spend $2,000 - $3,000

Actual Client Results

What to Expect

Filler treatments take less than an hour. You may notice mild tenderness or bruising, and light restrictions apply for the first day before returning to normal activities.

Schedule your free consultation or treatment at myTrimMD.com or by calling our office at 317-548-4666.
