PDO THREAD LIFT

PDO Thread Lift gently lifts and tightens sagging skin in the cheeks, jawline, brows, and neck with immediate results and minimal downtime.

Pricing

Thread pricing varies between **$999 - $2,999** based on the number of threads needed to achieve your desired results.

Clients on average spend $1,499 - $2,499

Actual Client Results

What to Expect

Threads are typically completed in under an hour with minimal downtime. Mild swelling or tenderness is common, and light restrictions apply for the first few days before returning to normal activities.
