FATIGUE RECOVERY

If you're constantly feeling tired, foggy, or low on energy, we can help uncover hidden contributors such as: hormone imbalances, vitamin & nutrient deficiencies, post-viral fatigue (Long Covid), chronic stress & inflammation and adrenal dysfunction. Let us create a personalized plan to restore your vitality.

Visit Fee

Fatigue Screening Visit $349

Your Fatigue Screening Visit Includes:

- Comprehensive review of symptoms and health history
- One-on-one consultation with Dr. Kesa
